## CONCACAF STATEMENT

CONCACAF unequivocally denies the allegation by Jack Warner that has been reported by the press that CONCACAF has given him permission to undertake or consented to any legal action by Mr. Warner against Sir David Simmons. CONCACAF has had no discussions with Mr. Warner regarding, nor does it consent to the undertaking of, any legal action against Sir David Simmons, any other member of the Integrity Committee, any member or executive of CONCACAF or any member of the Football community. CONCACAF fully supports the findings of the independent Integrity Committee.
